

NEW FRIENDS FOR THE NEW SCHOOL YEAR

The Creek Valley New Families Committee is seeking families with children in Grades 1-5 to befriend new students coming to Creek Valley in Fall 2010. If you would be willing to arrange a play date to help ease a new student's transition to Creek Valley before school begins, please return this form by Friday, May 28th.

Responsibilities of a student mentor to help a new student for the first few weeks of school:

- Help make a new student feel welcome
- Introduce a new student to other students in the class
- Interact and play with a new student at lunch/recess

An idea for a play date could be to meet at the CV playground for 30-60 minutes, and give a tour of the school and playground.

Thank you to everyone who participated last year and please consider signing up this year. Being paired up with a new student depends upon whether your child is placed in a class with a new student of the same sex, and how many students from each particular class are participating. If there is a new student match, you will be contacted in late August. Reaching out to assist a new student by extending kindness and friendship is an integral part of the Creek Valley 'ICCAR' values. Your support of this worthwhile program is greatly appreciated!

Student's name _____ boy/girl (circle one)

Grade entering Fall 2010 _____

Parent name _____

Parent phone _____

Parent e-mail _____

Are you usually out of town Labor Day weekend? Yes/No

(We ask this since some play dates may need to be set up over this holiday weekend.)

THANK YOU!
